

SEMINOLE COUNTY PUBLIC SCHOOLS

KINDERGARTEN IMMUNIZATION REQUIREMENTS

2010 – 2011 SCHOOL YEAR

Children entering Kindergarten in the 2010-2011 school year must meet the immunization requirements mandated by the Department of Health.

Requirements for Kindergarten are as follows:

- DTP or DTaP** • **4 - 5 doses** (If the 4th dose is administered on or after the 4th birthday, a 5th dose is not required)
- Polio** • **3 - 4 doses** (If the 3rd dose is administered on or after the 4th birthday, a 4th dose is not required)
- MMR** • **2 doses**
- Hepatitis B** • **3 doses**
- Varivax** • **2 doses *or* documentation of Chicken Pox disease**

Florida Department of Health blue Form 680 must be submitted to your child's school prior to the first day of school, Monday, August 16, 2010.

Your child's healthcare provider or the Seminole County Health Department can provide the necessary immunizations and complete the DOH 680 form.

Until approximately June 1st, the Seminole County Health Department is only providing immunizations at its Casselberry location – 132 Sausalito Blvd, Casselberry. Please call 407-665-3410 for further information.
